VERONICA FORTUNO SEPUT

INTERNATIONAL BUSINESS & MARKETING • STARTUP
FOUNDER • TRILINGUAL

PROFESSIONAL PROFILE

Trilingual International Business & Marketing student (Italian • Spanish • English), startup founder and multi-organization leader with a proven record of taking ideas from concept to delivered product. Founder of **RebelBot**, an AI-powered student engagement platform winning every competition entered in its first year. Combines a global perspective (born in Spain, raised in Italy, studying in the United States) with hands-on experience in digital marketing, business development, event coordination and cross-cultural communication. Available for travel and international relocation.

WORK EXPERIENCE

Startup Founder 28 May 2025 – Present

RebelBot • Las Vegas, United States

- ▶ Founded and led RebelBot, an AI-powered platform helping students access campus resources, improve engagement, and navigate university support systems.
- ▶ Led the project from concept to working product in under one year — coordinating product direction, user research, branding, business model development, and implementation planning.
- ▶ Managed a 4-person team across development, research, and design, translating user needs into product requirements and coordinating deliverables with developers.
- ▶ Won recognition in both competitions entered — UNLV Research Symposium and UNLV President's Innovation Challenge.
- ▶ Currently in active conversations with UNLV for official institutional adoption.

LEADERSHIP & STUDENT ORGANIZATIONS

President Summer 2025 – May 2026

International Business Association — University of Nevada, Las Vegas

- ▶ Grew active membership from 3 to 13 during my term — a 333% increase — through re-energized programming, elevated event quality, and personal recruiting.
- ▶ Revived the association's flagship international trip after years of inactivity — coordinating travel logistics, budgeting, and member sign-ups.
- ▶ Lead an 8-person executive board with weekly cadence, delegation and quarterly outcomes.

Founding President Aug 2025 – May 2026

Artificial Intelligence in Business — University of Nevada, Las Vegas

- ▶ Founded the organization from a blank page in August 2025 — defined the mission, recruited a 5-person executive board, and built the operating playbook.
- ▶ Now runs biweekly workshops with committed active members exploring AI applications in business strategy, marketing and operations.

President

Fall 2025 – Present

Bhakti Yoga Club — University of Nevada, Las Vegas

- ▶ Oversee all club operations — strategy, budgeting, event planning and marketing.
- ▶ Plan and coordinate wellness workshops and cultural exchange activities.

Event Director — "The Exchange"

2026

Inaugural UNLV cross-community event (15-person team)

- ▶ Designed and delivered a first-of-its-kind UNLV event bringing together faculty, students and industry professionals in one room.
- ▶ Delivered 120 RSVPs and 80+ attendees with uniformly positive feedback across every cohort.

Secretary

Fall 2025 – Present
